TECH CENTER 1600/2900

In response to the Notice to Comply with Requirements for Patent Applications Containing Nucleotide Sequence and/or Amino Acid Sequence Disclosures mailed September 25, 2000, the following amendments and remarks are respectfully submitted in connection with the above-identified application.

IN THE SPECIFICATION

Please amend the specification as follows:

Please delete pages 64-87 of the specification containing the Sequence Listing. Please renumber the remaining pages of the specification, beginning with the claims, consecutively from page 64. Please insert the Substitute Sequence Listing enclosed herewith immediately after the claims.
